

An experience like no other...

THE AROMA ROADSHOW 2023

April - September 2023 - several European locations

Get ready for an experience like no other, as LECO takes its passion for aroma across Europe with the LECO Aroma Roadshow 2023.

Ready to speed up your analysis process and get the most out of your instrument? Using hydrogen carrier gas is the answer!

We know how valuable your time is, so we're bringing the experts and resources closer to you to show you how LECO instrumentation and hydrogen carrier gas can revolutionise your analysis, with live demos of our instruments and software. Use your dedicated time slot to have undivided attention of our LECO experts.

Book your spot today and get ready for the aroma ride of a lifetime!
